

Private Lesson Policies

LGA Account

All clients **MUST** create an LGA account through our iclass system in order to schedule private lessons. A completed [waiver](#) must be on file to participate.

Scheduling

LGA private lessons are scheduled through the coach via email or phone, not through your online account.

Client Payment

Payment goes directly to the coach via Cash or Venmo. Pricing is based per lesson.

Policies

- 1) When classes are NOT in session, a parent/guardian is required to stay for the entire lesson.
- 2) LGA-related classes and events have priority over private lessons. If a coach is needed to cover a class or event during the scheduled lesson, they must cancel the lesson. LGA will always do their best to avoid this situation as we understand the importance of consistency.
- 3) A 24-hour cancellation is to be given from both parties. If a parent fails to give notice and a student does not show, the full fee is still applicable.
